

# Invitation to the 7<sup>th</sup> Annual Abu Dhabi Wound Care Conference

We cordially invite you to the 7<sup>th</sup> Annual Abu Dhabi Wound Care Conference to be held on 22 – 23 April in Abu Dhabi. The LINET Group will be presenting innovative technologies that help in the treatment and prevention of pressure ulcers.

Visit our booth to learn more about the effective prevention of pressure ulcers and other aspects of advanced LINET hospital beds and top-quality systems for the prevention and management of pressure ulcers. We look forward to seeing you!

## Two professionals: Multicare and Symbioso

Its performance and features help staff **save lives in intensive care units**. It actively **supports vital functions**, provides a **100% safe space** and facilitates **timely mobilisation**. The extremely **quiet and efficient Symbioso mattress** integrated into the Multicare bed works on the dual principle of constantly maintained pressure and a suitable microclimate. This improves the prevention of pressure ulcers caused by pressure and humidity.
